

Goodwill Easterseals of the Gulf Coast
Presents

Books, Balls, & Blocks

Community Event

Workshop Highlights

- Receive Valuable Information!
Presentation materials & other handouts
- Network with other parents!
Meet other families and learn more about local resources
- Learn how to promote development
Parents will learn how simple activities can be used to promote their child's development
- Meet & Greet with local service providers
Come and meet local Occupational therapists, speech therapists, and professionals working in the Early Intervention and Early Childhood Development fields.

You're invited to a FREE, fun, event that will provide early child development screenings for children 1 month to 5 1/2 years old.

Caregivers can look forward to:

- Free child development screenings
- Activity stations to learn how to promote development through play
- Free books and other resources

...and more!
